Attendance and Punctuality Policy

2023 - 2024

Date of Policy: November 2023

Date of Review: November 2024

Attendance and Punctuality Policy

This policy has been developed in conjunction with our Academy Trust (DSAT) the DfE and LA Guidelines.

(Reference to Parent/Carer throughout this document also includes any person who has parental responsibility or who cares for children)

Good attendance and punctuality are vital if pupils are to achieve their maximum potential. We are committed to working with parents/carers and pupils to ensure that each pupil benefits from the academic, personal and social opportunities available to them during their years with us. Children who miss out on education are at an immediate disadvantage relative to their peers and at a great cost to themselves and the community as a whole. By working together, with families, we can keep absence from school to the lowest possible figure. This will ensure that children get the most from their education at school. The young child, however, is dependent upon the adults in his/her life to get them to school regularly and on time. At Laughton All Saints' we continue to work with parent/carers and start to develop 'self' responsibility in the children. We are, therefore, committed to ensuring good attendance and partnerships with parent/carers.

1. AIMS

In order for our pupils to maximise all learning opportunities provided and to reach their full potential, consistently good attendance is vital. As a school, we are committed to meeting our obligations with regard to school attendance, including:

- Promoting good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Identifying and acting promptly to address patterns of absence
- Building strong relationships with families to ensure pupils have the right support in place to ensure they attend school.
- Promoting and supporting punctuality in attending school.

We will do this by:

- Ensuring that our school maintains good standards of work and behaviour in a positive, welcoming environment to ensure that our pupils wish to attend regularly.
- Create an ethos in which good attendance and punctuality are the norm.
- Maintaining an effective partnership between home and school, the Early Help team, Local Authority, Police, Social services and other agencies in addressing attendance issues.
- Ensuring all staff and the School Board understand the procedures and promote and monitor good attendance with support from the Senior Leadership Team.
- Ensuring parents/carers and pupils are informed about the procedures for attendance and encourage them to take an active role in promoting

'Let your light shine' Matthew 5:16

- good attendance and punctuality.
- Taking appropriate action to promote and encourage good attendance.

As a school, we recognise the importance of celebrating good attendance and recognising where improvements have been made. We aim to do this in a variety of ways, including both the children and their parents, to ensure the profile of good attendance remains high and giving the children an incentive for attending regularly.

The following is not an exhaustive list of ways, but rather the minimum of what school will offer:

- ❖ Weekly – every week in Good Work Assembly, the best class for attendance will be announced, with a treat given if they secure 100% attendance
- ❖ Half-termly – Attendance figures will be shared with parents and families on the school newsletter
- ❖ Termly – Certificates are given to those children with good attendance, with those children securing 99 or 100% receiving a letter posted home
- ❖ Yearly – All children with 100% attendance at the end of the year will receive a certificate and a prize
- ❖ Improvements – Where attendance shows improvements over a set period of time, school will send a letter home recognising these achievements

As a school, we are committed to working with families to secure good attendance and will utilise bespoke plans and rewards for the children who are most vulnerable to attendance.

2. LEGISLATION AND GUIDANCE

4.1 What our schools expects of pupils:

- To report to their class teacher for registration, or to the school office if late

4.2 What our schools expects of parents/carers

- To fulfil their statutory responsibility by ensuring their children attend school regularly and on time
- To ensure they contact the school as per reporting procedures if their child is unable to attend
- To ensure their child arrives on time, and is well prepared for the day (equipment, homework completed, PE kit etc)

- To contact the school (class teacher/headteacher/admin staff) in confidence whenever a problem arises that may keep their child from attending school
- To inform the admin staff of any forthcoming appointments and, where possible, make appointments outside of the school day. Evidence of an appointment **must** be shown to the school office staff – without evidence, the absence for a full session will be logged as unauthorised. Parents collecting children early will also be asked to show evidence of the appointment.
- Holidays should be taken in the school holiday period only, and leave in term time will only be granted in exceptional circumstances.

4.3 What parents and pupils can expect of their school

- A broad and balanced education that is dependent on regular attendance at school.
- The encouragement, promotion and celebration of good attendance – in celebration assemblies; issue of certificates, letters home and awards.
- Regular, efficient and accurate recording of attendance and punctuality.
- First day contact with parents when a pupil fails to attend school without providing prior notification
- Prompt action when any problems are identified
- Close liaison with the Trust Education Welfare Officer, LA Attendance Officers and Early Help Team to assist and support parents and pupils
- Notification to parents/carers of their child's attendance record through annual reports sent home (drawn from Arbor)
- Any barriers to attendance, dealt with sensitively and efficiently.

5 ATTENDANCE PROCEDURES

5.1 Registration procedures

Our school gates will open at 8.40a.m. for all pupils and their families. From 8.45a.m., children will be invited into classrooms by school staff and provided with activities to complete during the registration period. By 8.55a.m all pupils should be in classrooms.

5.2 Responding to lateness (punctuality)

Pupils who are regularly late for school will miss out on valuable learning time. Late arrival in school can not only disrupt the individual child's learning, but also that of their peers. Our schools will take active steps to address persistent lateness.

- Pupils arriving late after doors/gates close must report to the school office, where a record of their late arrival will be made with the time of arrival and reason for the lateness.
- Pupils arriving after doors closing (8.55a.m.) will be deemed to be late, and given a late mark (L).
- Pupils arriving after this designated time and the close of registers (9.05 a.m.) will be marked as 'U'.

- Staff will monitor lateness, and note persistent offenders. Arbor registers will be annotated with the number of minutes late.
- Where a pattern of repeated lateness is seen, the school will send the relevant 'Late' letter 1 to remind parents of the importance of good timekeeping.
- Where the problem persists, the school can ask the DSAT EWO to speak to parents by telephone to discuss their child's lateness and try to identify causes/seek remedies to the problem.
- If there is no subsequent improvement, school will send 'Late' letter 2, and parents will be invited to a meeting with the headteacher and EWO.

5.3 The school's response to unexplained absence

Although parents are expected to contact the school if their child is to be absent due to illness or other unexpected reasons, there will be instances where this does not happen. In such cases, all schools will follow a **'first day call'** procedure as outlined below:

- If no message has been received, office staff will note the absence as 'N' at the close of registers. This can be updated depending upon outcome of first day protocols.
- Some parents will message the class teacher via Dojo or send a message verbally – this should be checked in the first instance, though third-party information must be checked with the parent as per the actions below. Parents must be advised that the correct procedure is to ring the school office to report absence.
- The school office may send a text message as soon as registers are closed to the primary contact to check on the absence.
- If no contact has been received by 9:30am, the office staff will start to ring the contacts on the pupil's file.
- Should there be no response from any of the contacts on file, office staff should consult the SLT/safeguarding leads to ascertain whether a home visit should be made. This can be by school staff or the DSAT EWO, depending on staff availability.
- The school may choose to contact their Local Authority Safeguarding Hub if in person contact cannot be made with the family and there are concerns around the safety of the child(ren). This decision would be made following careful discussion between DSLs and SLT.

5.4 Safeguarding

Children may be at risk if they do not attend school regularly. Safeguarding the interests of each child is everyone's responsibility.

Failing to attend school on a regular basis is considered to be a safeguarding matter.

As part of first day call procedures outlined, schools may well make home visits to ascertain the well-being of pupils. In any instance, where a pupil has not attended and

the school has not been contacted with what it deems an acceptable reason, then a home visit will be considered. The school will speak to their safeguarding leads for additional advice where necessary, and where appropriate DSLs contact their Local Authority Safeguarding Hub for support.

5.5 The school's response to attendance issues/following attendance pathways

- The school will identify and monitor pupils whose attendance gives cause for concern. The Trust will set a target for attendance, to be reviewed each academic year.
- The Trust target for the academic year 2023-24 is 96%.
- Pupils falling below this will be deemed to be of concern. The attendance lead in school should review the attendance certificates, and if necessary, make initial contact with the parent/carer to express their concerns and offer Early help support. At this stage schools should send the first letter according to their relevant Local Authority Attendance Pathway, and monitor for 3-4 weeks.
- If attendance continues to fall below 90% (as defined by the DfE) a child will be deemed to be 'Persistently Absent' (PA). Absence at this level is likely to cause considerable damage to any child's educational prospects and the school will need parent/carer's fullest support and co-operation to address this. If not taken up already, Early Help support should be offered again. The school will continue on their Local Authority pathway as prescribed. Parents will be invited to meet with the head and Trust EWO.
- If attendance does not improve over the next 3-4 weeks, the next pathway letter will be sent and parents will be invited to a formal attendance review panel in school with the Headteacher/Attendance Lead and Trust EWO. The LA Attendance lead may also be invited to this meeting. A support plan will be created for the family, and further professional help accessed if not already in place. Regular review meetings will be held in school to monitor progress.
- Children whose attendance continues to fall to below 50% are deemed to be Severely Absent (SA) and will need a specific targeted plan. This should be created in liaison with support from the Local Authority attendance lead.
- Parents should be advised that failure to comply with the above interventions could eventually lead to the issuing of Fixed Penalty Notices, or prosecution in court. The Local Authority will contact parents regarding the issuing of fines or any other legal action.

5.6 Leave of absence (including holidays in term time)

Our Academy Trust will not authorise holidays in term time. Our school will refer any cases of unauthorised holiday absence that meet Local Authority thresholds for the issuing of a Fixed Penalty Notice, currently £60 per parent/per child for any leave of absence of 5 days or more. This FPN will increase to £120 per parent/per child if not paid within 21 days.

If parents do wish to take their child out of school during term time, applications for leave of absence should be made to the school at least **20 days prior** to the date of absence. Leave of absence request forms must be collected in person from the school office, and not given out by class teachers.

Where a leave of absence request is deemed to be due to exceptional circumstances, the Headteacher will consult with the Trust EWO on a case-by-case basis to ascertain whether the FPN can be waived. However, the absence will still be classed as unauthorised.

Families requesting leave of absence for the purposes of Religious Observance should speak to their Headteacher for guidance.

6. CHILDREN MISSING FROM EDUCATION/ABSENT FROM EDUCATION

Children/students who cannot be located, or their families contacted, will be considered missing from education. The relevant LA Children Missing from Education Team will be informed and will pursue the matter in accordance with specific Local Authority procedures.

Similarly, schools will pay particular attention to those pupils whose persistent absence is impacting severely upon their education, and classed as 'absent from education';

***KCSIE Sept 2023:** Children being absent from education for prolonged periods and/or on repeat occasions can act as a vital warning sign to a range of safeguarding issues including neglect, child sexual and child criminal exploitation - particularly county lines. It is important the school or college's response to persistently absent pupils and children missing education supports identifying such abuse, and in the case of absent pupils, helps prevent the risk of them becoming a child missing education in the future. This includes when problems are first emerging but also where children are already known to Local Authority children's social care and need a social worker (such as a child who is a child in need or who has a child protection plan, or is a looked after child), where being absent from education may increase known safeguarding risks within the family or in the community.*

These cases will be discussed with SLT/Safeguarding leads and Trust EWO to ensure that appropriate and robust action is taken to address concerns.

7. ATTENDANCE CODES

The following codes are used by school when entering details on Arbor.

- Code D: dual registered - at another educational establishment
- Code J: at an interview with prospective employers, or another educational establishment
- Code P: participating in a supervised sporting activity

- Code C: leave of absence authorised by the school
- Code E: excluded but no alternative provision made

ATTENDANCE FLOW CHART

8. Providing up to date contact details

There are times when school staff will need to contact parents about lots of things, including absence, so it is highly important that we have at least 2 contact numbers at all times and that these are always the most up to date telephone numbers. Please help us to help you and your child by making sure we always have the correct details.

Poor Punctuality - Letter 1

Date:

Dear

I am writing to you because [name] has been late to school [n] times in [number of weeks/dates].

Persistent lateness can lead to a significant loss of learning time, and can have a serious impact on your child's education. Arriving after the start of lessons can also be embarrassing and unsettling for your child.

The school day begins promptly at [time] and registration closes at [time].

Any child who arrives in school after [time] will be marked as 'late' in the register.

Any child who arrives after [time] will be marked as 'U' ('late after close of registration') and is classed as an unauthorised absence. This will impact on your child's overall attendance data for the year.

All late arrivals are logged and recorded on our systems, and reviewed regularly.

Please ensure that your child is in school and ready to learn at the above times. If you are experiencing any difficulties in getting your child into school, please do speak to the school office who will arrange for the relevant person to contact you to see if we can offer some support.

If there is no improvement, we will arrange a meeting in school with myself and our Education Welfare Officer.

By working together, we can ensure that your child achieves to their full potential.

Yours sincerely,

Headteacher

IRREGULAR ATTENDANCE AT SCHOOL: WARNING TO PARENTS/CARERS

NAME OF CHILD:

DATE OF BIRTH:

REGISTERED PUPIL AT: (insert)

Dear (insert parent/carer name)

I am writing to you to share my concern regarding the attendance of your child, (**insert child's name**.)

(**Insert child's name**) attendance is currently (**insert attendance %**) and the school are concerned as this is unsatisfactory. The Local Authority and School together take attendance very seriously and have strong evidence that children who attend regularly are much more likely to achieve positive outcomes and perform well in school and achieve in later life.

During the period (**enter dates**) (**insert child's name**) has been absent from school for (**enter figure**) out of a possible (**enter figure**) half day sessions.

Whilst occasionally, absence may have been due to illness, school are concerned that on occasion, there has been a lack of satisfactory evidence provided to explain the absence.

School and the Local Authority are keen that families who experience difficulties are supported in order to help make improvements with issues that are affecting family life and that can result in poor attendance. Support is available for families through the Early Help Assessment and Plan. This is a process that helps professionals understand the issues that may be affecting the child and family and plan appropriate support to help. We recognise that family life can at times be difficult and sometimes families' need a helping hand to assist.

It is, however, important to note that **enforcement action may be taken if an improvement in attendance is not made**. In light of this, we are keen to offer support and we hope that you take up this offer. If there is not a marked improvement in (**insert child's name**) attendance at school, the matter will be reported to the Local Authority School Attendance Panel (LASAP) with a view to seeking enforcement as per the provisions of the Education Act (1996.) If LASAP make the decision to issue a fixed penalty notice (fine) you will be informed by letter and will be given 21 days to pay. If LASAP make the decision that there will be an FPN (fine) and there are sufficient concerns that warrant further action, your child's case will be brought formally to LASAP, and you (and your child where appropriate) will be invited to attend.

It is important that you take this information seriously and act in the best interests of your child to ensure future good attendance.

If you need to discuss this further, please do not hesitate to contact me.

Yours sincerely,

IRREGULAR ATTENDANCE AT SCHOOL: FORMAL WARNING TO PARENTS/CARERS

NAME OF CHILD:

DATE OF BIRTH:

REGISTERED PUPIL AT: (insert)

Dear (insert parent/carer name)

Despite writing to you on (insert date of letter 1) I am writing to you again to outline my concerns due to the ongoing unsatisfactory attendance of your child (insert child's name.) I must emphasise the duty that is imposed by the Education Act (1996) upon parents/carers, to ensure that children of school age attend school every time it is open, unless the children are prevented from doing so as a result of their own illness. In the case of illness, medical evidence should always be submitted.

(Insert child's name) attendance is currently (insert attendance %) and the school are concerned as this is unsatisfactory. The Local Authority and School together take attendance very seriously and have strong evidence that children who attend regularly are much more likely to achieve positive outcomes and perform well in school and achieve in later life.

During the period (enter dates) (insert child's name) has been absent from school for (enter figure) out of a possible (enter figure) half day sessions.

The explanations given by you, for your child's absences, are not considered to be reasonable within the provision of the Education Act. I must, therefore, advise you that unless there is an **immediate and sustained improvement** in your child's attendance at school, I shall be compelled to take further steps in the matter by referring this to the Local Authority School Attendance Panel (LASAP). It is my duty to bring to your attention the penalties which may be imposed via this route by the Magistrates Court in line with the Education Act (1996), namely:

"Any person guilty of an offence against Section 444 of this Act" (these are the sections of the Act relating to compulsory school attendance) "shall be liable on summary conviction, in the case of a first or subsequent offence against that section, to a fine not exceeding £2,500 and/or a period of imprisonment for up to three months."

I must also point out that one of the actions from LASAP could be an Education Supervision Order imposed by the Family Court, which gives the Local Authority discretion to intervene with a family when attendance is very concerning. This means that you and your child will be required to follow directions that are outlined in the order imposed by Court and will be expected to work closely with a professional from the Local Authority.

School and the Local Authority are keen that families who experience difficulties are supported in order to help make improvements with issues that are affecting family life and that can result in poor attendance. Support is available for families through the Early Help Assessment and Plan. This is a process that helps professionals understand the issues that may be affecting the child and family and plan appropriate support to help. We recognise that family life can at times be difficult and sometimes families' need

support to assist.

It is, however, important to note that **enforcement action will be taken if an immediate improvement in attendance is not made**. In light of this, we are keen that you take up the offer of support if you have not already done so. This warning is issued in the hope that there will be no necessity to take further steps to enforce the law. However, you are warned that if you do not immediately address your child's attendance and ensure that they attend school regularly, the actions above will be implemented.

If LASAP make the decision to issue a fixed penalty notice (fine) you will be informed by letter and will be given 21 days to pay. If LASAP make the decision that there will be an FPN (fine) and there are sufficient concerns that warrant further action, your child's case will be brought formally to LASAP and you (and your child where appropriate) will be invited to attend.

I should be pleased if you would give your immediate attention to this matter, and if you have any queries regarding this letter, please contact me.

Yours sincerely,

IRREGULAR ATTENDANCE AT SCHOOL: FINAL WARNING TO PARENTS/CARERS

NAME OF CHILD:

DATE OF BIRTH:

REGISTERED PUPIL AT: (insert)

Dear (insert parent/carer name)

Despite writing to you twice previously (insert date of letter 1 and letter 2) I find it necessary to write to you a final letter to re-emphasise my concerns due to the ongoing, serious nature of your child's (insert child's name) poor attendance.

As previously stated, I must reaffirm the duty that is imposed by the Education Act (1996) upon parents/carers, to ensure that children of school age attend school every time it is open, unless the children are prevented from doing so as a result of their own illness. In the case of illness, medical evidence should always be submitted.

(Insert child's name) attendance is currently (insert attendance %) and the school are concerned as this is unsatisfactory. The Local Authority and School together take attendance very seriously and have strong evidence that children who attend regularly are much more likely to achieve positive outcomes and perform well in school and achieve in later life.

During the period (enter dates) (insert child's name) has been absent from school for (enter figure) out of a possible (enter figure) half day sessions.

Despite contacting you twice previously your child's attendance has remained concerning.

The explanations given by you, for your child's absences, are not considered to be reasonable within the provision of the Education Act. I must, therefore, advise you that I am now compelled to take further steps in this matter by referring this to the Local Authority School Attendance Panel (LASAP) It is my duty to bring to your attention the penalties which may be imposed via this route by the Magistrates Court in line with the Education Act (1996), namely:

"Any person guilty of an offence against Section 444 of this Act" (these are the sections of the Act relating to compulsory school attendance) "shall be liable on summary conviction, in the case of a first or subsequent offence against that section, to a fine not exceeding £2,500 and/or a period of imprisonment for up to three months."

I must also point out that one of the actions from LASAP could be an Education Supervision Order imposed by the Family Court; which gives the Local Authority discretion to intervene with a family when attendance is very concerning. This means that you and your child will be required to follow directions that are outlined in the order imposed by Court and will be expected to work closely with a professional from the Local Authority. It is extremely important to note that **enforcement action will now be taken.**

In the event of a fixed penalty notice (fine) being issued, the Local Authority will write to you with details of when and how to pay. This will be followed up with further contact to discuss how future attendance will be addressed swiftly.

If, in addition to the above, it is agreed that the case needs to be heard by LASAP the Local Authority will contact you with the date and time to attend LASAP.

I should be pleased if you would give your immediate attention to this matter, and if you have any queries regarding this letter please contact me.

Yours sincerely,

(Insert head teachers name)
